OUR MISSION & VISION

The Brighter Beginnings mission to “*support healthy births and successful development of children by partnering with parents and helping to build strong communities*“, gains its strength and aspiration from our core belief and vision that, “*Every family matters, and every child deserves a happy, healthy future.*”

OUR HISTORY

Brighter Beginnings is a 501c3 nonprofit organization, and has been responding to the needs of families in underserved neighborhoods since 1984 when our work began in response to the alarming differences in mortality and illness rates among African American babies compared to other children.

Brighter Beginnings has grown into a respected and well-connected organization with locations in Oakland, Richmond, Bay Point, and Antioch. We have a multi-cultural, bi-lingual staff of passionate and committed family-service professionals; in fact, many of our staff came to this work because of challenges they faced in their own families.

POSITION SUMMARY

The FQHC (Federally Qualified Health Center) Therapist provides screening, consultation, behavioral intervention, referrals and counseling and therapy to patients within an integrated medical and behavioral health setting. Makes clinical recommendations and refers to appropriate levels of care in a team based setting. Must be a Licensed Clinical Social Worker (LCSW), Psychologist, or PsyD in the State of California and have two years of experience providing direct counseling services. This position requires a strong team player and self-starter. The BH Therapist will provide mental health and substance abuse assessment and treatment of patients at our clinic. The BH Therapist is an employee that meets all other clinical and administrative requirements for the position. The BH Therapist promotes patients self-management and empowers patients/families to achieve maximum levels of wellness and independence. The BH Therapist will actively engage in care team huddles, clinical meetings, and quality improvement activities. The BH Therapist will seek opportunities to learn from others, be open to adapting best practices into their work and effectively communicate the areas which they feel uncomfortable or need to improve upon to their supervisors. The BH Therapist will contribute to the orientation and development of new personnel, as well as mentor peers and promote collaborative teamwork. The BH Therapist is committed to the constant pursuit of organizational excellence and improving the health status of the community.
