

JOB POSTING

TITLE: CLINIC PROGRAM DIRECTOR
REPORTS TO: CHIEF EXECUTIVE OFFICER
LOCATION: RICHMOND, CA/ ANTIOCH, CA
STATUS: FULL TIME, EXEMPT
PAY: \$90,000.00 - \$100,000.00/YEAR

OUR MISSION & VISION

The Brighter Beginnings mission to “*support healthy births and successful development of children by partnering with parents and helping to build strong communities*“, gains its strength and aspiration from our core belief and vision that, “*Every family matters, and every child deserves a happy, healthy future.*”

OUR HISTORY

Brighter Beginnings is a 501c3 nonprofit organization and has been responding to the needs of families in resource-poor neighborhoods since 1984 when our work began in response to the alarming differences in mortality and illness rates among African American babies compared to other children.

Brighter Beginnings has grown into a respected and well-connected organization with locations in Oakland, Richmond, Bay Point, and Antioch. We have a multi-cultural, bi-lingual staff of passionate and committed family-service professionals; in fact, many of our staff came to this work because of the challenges they faced in their own families.

POSITION SUMMARY.

The Clinic Program Director will be responsible for clinic operations and programs to ensure quality outcomes. The Clinic Program Director will work with staff, providers and management to maintain center policies, procedures and protocols and assist in strengthening clinic staff productivity, center strategic planning, and ensuring center compliance with State (California Community Clinic licensing) and Federal (Federally Qualified Health Center) requirements.

QUALIFICATIONS:

JOB QUALIFICATIONS AND EXPERIENCE

- Master’s degree or equivalent in Clinic Administration, Public Health, Social Work, Nursing, or related field; or four to ten years related experience and/or training; or equivalent combination of education and experience.
- Must have proven leadership ability with two (2) years of experience in medical clinic administration preferred.
- Knowledge of and ability to demonstrate skills related to management, planning and budgeting.
- A strong desire to serve the under and uninsured patient population with the ability to foster a safe environment where people will feel comfortable to share private pertinent information for effective treatment.
- Strong, positive leadership and managerial skills with a "detail-approach" to administration and organization.
- Essential skills include the ability to multitask, think critically, problem solve with a proactive approach and remain confidential with appropriate information.
- Experience working with electronic health records; or, at minimum, a strong technical background. Experience with eClinicalWorks preferred, but not required.
- Valid BLS certification required.
