November: The month of giving

November is a great time to engage in the community, specifically to get into the spirit of giving. Giving Tuesday takes place in November and originated on November 27, 2012. Giving Tuesday intended to establish a movement that used social media and technology to promote philanthropic giving. Here at Brighter Beginnings, we honor the spirit of giving, which is at our core. If you want to support our community and our cause visit: [brighterbeginningsgetinvolved](#) to donate.

ADOPT A FAMILY

Our Annual Adopt A Family gift drive is now open! For many families, the holidays can be a particularly difficult time. Years ago Brighter Beginnings developed its Adopt-a-Family program to help make the holidays a less stressful and more joyous time for families in need by connecting them to the generosity of our donors.

Last Year, with your help, we were able to provide holiday gifts to 262 deserving families. Brighter Beginnings families and the society at large will face new challenges in 2023. This year, the need is still tremendous, with many of our families losing their homes and jobs. We hope that your generous gifts will allow us to continue to help these families and brighten up their holiday season.
