Adopt-a-Family 2023

308 families total

Our Annual Adopt-A-Family gift drive took place this month! With the help of our generous donors, we were able to give 308 families gifts this year.

Brighter Beginnings implemented the Adopt-a-Family program many years ago to help make the holidays less stressful and more joyful for families in need. The demand this year was even bigger for families in our communities and we could not have done it without our amazing donors.

We want to give a special thanks to everyone who donated and helped make the holidays brighter for families this season!

Stay up to date on all things BB!
